IMPERFECTLY PERFECT!

The EDGE texture comes from a unique Preverco fabrication process, it offers randomized saw and distressed marks and a variety of irregularities that all serve to create an incomparable natural and authentic effect.

When introduced in a contemporary decor, it creates a captivating look. If you are more of a country style type, EDGE is the perfect way to accentuate the quaint charm of homes of yesteryear. Just let your imagination run free, because in the end, this texture will match all ambiances to perfection.

Its name and the one of its offered colours evoke the decor of the world's most esteemed and high-end ski resorts. Something to dream about!

MAINTENANCE

Use a cleaner designed for prefinished hardwood floors. We highly recommend using Preverco's cleaning kit.

Some precautions will help preserve the beauty of your floor:

- Regularly sweep or vacuum the floor to remove all dry dirt
- If liquid is spilled on the floor, wipe immediately with a dry cloth
- Use felt pads under all furniture legs
- Never clean hardwood floors with water
